WASHINGTON

September 10, 2005

The Honorable Michael D. Brown  
Under Secretary  
Emergency Preparedness and Response  
Washington, D.C. 20472

Dear Mr. Brown:

I have determined that the emergency conditions in the State of Iowa resulting from the influx of evacuees from states impacted by Hurricane Katrina, beginning on August 29, 2005, and continuing, is of sufficient severity and magnitude to warrant an emergency declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5206 (the Stafford Act). Therefore, I declare that such an emergency exists in the State of Iowa.

You are authorized to provide appropriate assistance for required emergency measures, authorized under Title V of the Stafford Act, to save lives and protect public health and safety, or to lessen or avert the threat of a catastrophe in the designated areas. Specifically, you are authorized to provide emergency protective measures (Category B), including direct Federal assistance, under the Public Assistance program, at 100 percent Federal funding. This assistance excludes regular time costs for subgrantees' regular employees. In addition, you are authorized to provide such other forms of assistance under Title V of the Stafford Act as you may deem appropriate.

In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes such amounts as you find necessary for Federal emergency assistance and administrative expenses.

Further, you are authorized to make changes to this declaration to the extent allowable under the Stafford Act.

Sincerely,

George W. Bush

Dear Governor Vilsack:

I have declared an emergency under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5206 (Stafford Act), for the State of Iowa due to the emergency conditions resulting from the influx of evacuees from areas struck by Hurricane Katrina, beginning on August 29, 2005, and continuing. I have authorized Federal relief and recovery assistance in the affected area.

Specifically, FEMA is authorized to provide emergency protective measures (Category B), including direct Federal assistance, under the Public Assistance program, at 100 percent Federal funding.

FEMA will coordinate Federal assistance efforts and designate specific areas eligible for such assistance. The Federal Coordinating Officer will be Mr. Arthur L. Freeman of FEMA.
